Bid Amendment No. 1

Dear Sir/Ms.:

Please make the following change to your bid package.

In the **General Notes**, page 3 of 4, please delete in its entirety note number 32 which states "All millings will become property of the State of Maine and will be delivered and stockpiled at the MDOT Maintenance Lot located on **Route 7 in Plymouth across from Exit 41**. Payment for delivery and stockpiling will be incidental to Item 202.202. Stockpiling shall include all equipment, personnel and all other necessary Incidentals required to construct stockpiles as per normal construction practice."

And replace with the new note number 32, which states "*All millings will become property of the State of Maine and will be delivered and stockpiled at the MDOT Maintenance Lot located on **Route 2 in Canaan**. Payment for delivery and stockpiling will be incidental to Item 202.202. Stockpiling shall include all equipment, personnel and all other necessary incidentals required to construct stockpiles as per normal construction practice.*"

Consider this change prior to submitting your bid on March 26, 2003.

Sincerely,

Bruce R. Carter
Contracts Engineer
